COMPUTER LABS & PRINTING

Computer Classrooms/Labs
– Nine (9) large computer labs are provided on the Mies Campus for student use. All of these can be used as classrooms that are available for your use when a class is not in session.

Kiosk Computers
– Computers are scattered throughout campus for students’ use in residence halls, academic buildings and the MTCC for student use.

Galvin Library Devices
– Laptop computers and hotspots are available for checkout in the library. They may be used anywhere on campus for limited hours.

Virtual Computer Lab (VCL)
– OTS provides a VCL for many classes so you don’t have to visit a lab. You can access certain software from any location at any time from your own device.

Services Available
– Academic Software
– Printing Stations and large scale plotting
– Scanners

Printing
– Located in most academic and residential buildings
– How to print:
  – Direct printing from labs and kiosk computers
  – Remote printing from you own PC/Mac and VCL
  – Mobile printing from your tablet or smart phone
Keeping Your Technology Safe

• Never share your password with anyone.
  – No one at Illinois Tech will ever ask you for your password.

• Do not share copyrighted materials or download anything illegal.
  – It violates our Code of Conduct and federal laws.
    The consequences are serious!

• Keep your operating system and browsers up to date
  – It will help prevent you from getting and spreading malware.

• Install anti-virus software

• Don’t do anything that interferes with anyone else’s ability to use the university’s network and systems.
  – Be a good member of the campus community.
    We recommend turning off Bluetooth if you aren’t using it.
