

Illinois Tech VoIP Communicator Install for Mac

Created on April 22, 2019

1. [Click here](#) to get the install package.
2. Scroll down to **Software Downloads** section.
3. Click **Clearspan Communicator™ for MAC** to download the software.
4. Run the file you downloaded.
5. Read the [License Agreement](#) and click the **I Agree** button twice.

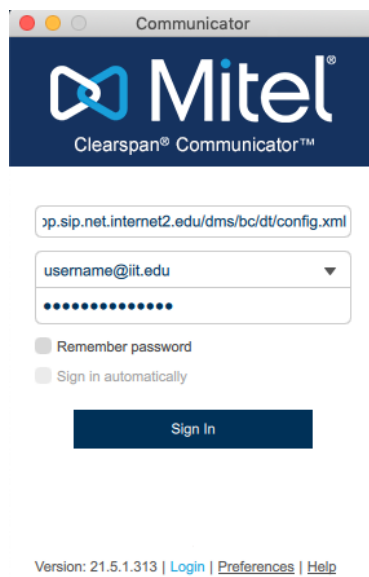

6. Enter the following URL in the first field:

<http://app.sip.net.internet2.edu>

7. Enter your Illinois Tech email address in the **Username** field and then your Clearspan password* in the **Password** field.

*If you do not your Clearspan password, or forgotten it, you can reset it by following the instructions [here](#).

Communicator is now ready for use.
