Accessing Your Voicemail for the First Time

- Using your own campus desk phone: Dial x86423.
  or
- Using any other campus phone: Dial x86423
  o Press the * key, enter your 5-digit extension, followed by the # key.
  or
- Using a non-campus phone: Dial 312-808-6423.
  o When asked to enter your mailbox ID, enter your IIT 5-digit extension number followed by # key.

Enter the temporary default passcode: 194075, followed by the # key.

- When prompted, enter your new voicemail passcode followed by # key.
  o Reenter your new passcode to confirm it.
- When prompted, record your name. Press # when you are finished recording.
  o Press 2 to listen to your recorded name.
  o Press 1 to re-record your name.
  o Press * when you are satisfied with your recorded name.

You are now finished with the initial setup of your new Mitel voicemail system.

Accessing Voicemail after the First Time
